**Field Descriptions** (F12) indicates code lookup is available.

### *CAPS ID* (F12)

Enter the CAPS ID of the initial client you wish to view service history for.

### *NAME*

This field will display the name of the client whose ID is entered in the CAPS ID field.

### *SERV CODE* (F12)

This field will display the code for the service that was received by the client.

### *CLIENT NAME*

This field will display the name of the client.

### *FACILITY*

This field will display the name of the facility that provided the service to the client.

*OPEN DATE*

This field will display the date the service began.

*CLOSE DATE*

This field will display the date the service ended. If the close date displays 99/99/9999, the service is still open.

**Additional Information**

To retrieve service history for additional family members, press F10 (copy) and select the family members with a "C" on the RELL (Relationship List) screen.
